Dr. Stan Heaps Memorial

UNIVERSITY SCHOLARSHIPS IN COMPUTER SCIENCE
2010

The Canadian Information Processing Society Nova Scotia is pleased to invite applications for two scholarships of $1000. One Scholarship of $1000 is available to candidates meeting the general qualifications. The remaining Scholarship of $1000 is available to CIPS Members and immediate family only.

General qualifications for both scholarships:
- Student about to enter either of the final two years of a 4-year university program leading to a degree with specialization in computer studies in a Nova Scotia University
- Candidates must have achieved a minimum overall GPA of 2.67 (70% average)
- Canadian citizen or landed immigrant

Additional qualifications for CIPS Members and immediate family only:
- Current paid Member of CIPS Nova Scotia (regular or student) as of February 1, 2010
  or
- Immediate family member of a current paid CIPS Nova Scotia regular or student member as of February 1, 2010 (spouse/partner, son/daughter, brother/sister, parent/guardian)

The scholarships will be awarded on the basis of overall academic merit with an emphasis on courses most relevant to computing science. Extracurricular, leadership and community involvement activities may also be considered.

Application forms are available on the CIPS Nova Scotia Website at http://local.cips.ca/cipsns/.

Applicants may submit any additional information to support their application.

May 28, 2010	Applications and transcripts received
June 30, 2010	Decision rendered and communicated
September 2010	Scholarship awarded

*** The recipients of the scholarships will also receive a free one-year membership in CIPS Nova Scotia. To find out more about CIPS National, visit the web site at www.cips.ca. To find out more about CIPS Nova Scotia, visit the web site at http://local.cips.ca/cipsns/.
